Lester Aldridge is delighted to announce that [Laura Guntrip](#), Partner and Head of our Health & Social Care team, has been shortlisted as a finalist in the *Outstanding Contribution to Social Care* category at the South East Regional Finals of [The Great British Care Awards](#). This prestigious nomination recognises Laura's significant contributions to the social care sector and her ongoing commitment to supporting providers and promoting high standards of care.

With over 16 years of experience, Laura is widely respected for her extensive knowledge and dedication to the social care industry. She provides vital legal and regulatory support to care providers across the UK, ensuring they are equipped to deliver safe, compliant, and high-quality care. Her work includes representing clients in safeguarding matters, advising on CQC inspections, and delivering sector-leading guidance on regulatory issues.

Laura said: "I'm honoured to be a finalist in the Outstanding Contribution to Social Care award as part of the South East Regional Finals of The Great British Care Awards! There are many very worthy people on the list of finalists, so I do not expect to win - I have the utmost respect for people who deliver care every day and make a difference in the lives of those receiving care. It's lovely to be recognised as a finalist, though, for the contribution we make behind the scenes to keeping services on track and delivering the best care. For a client to have nominated me for this award is humbling, and I'm delighted to know that my efforts to support care providers make a difference."

The South East Regional Finals of The Great British Care Awards will be held on 15 November at the Hilton Metropole Hotel in Brighton, where winners will be celebrated for their outstanding contributions to the care sector.
