

Lester Aldridge & Lewis-Manning Hospice Free Wills Month – October

Lester Aldridge, in partnership with [Lewis-Manning Hospice](#), is offering anyone who is 55 or over, the chance to make or update their Will for free throughout October.

Writing a Will is important as it means you can decide what happens after you are gone and make sure your loved ones are taken care of.

Lester Aldridge is the largest law firm in Dorset, with a national reputation in many areas of law. As well as the Bournemouth head office, they also have offices in Southampton and London, meaning they can offer clients city expertise at regional rates.

Lewis-Manning Hospice Care is a charity helping people with life-limiting illnesses and their families across Poole, Purbeck & East Dorset. Their aim is to increase people's physical and social well-being, reduce isolation and loneliness, support people to stay in their homes longer and alleviate the huge pressures on family and carers.

Making or updating your Will and including a gift to Lewis-Manning Hospice means you can help fund the vital services they provide to patients and their loved ones. There is no obligation to remember Lewis-Manning Hospice Care in your Will, but we really hope you are able to.

Appointments are limited, so register your interest as soon as possible. Please [sign up here](#) or telephone 01202 030595.

This initiative pays for simple Wills, but reduced fees for more complex arrangements can be agreed upon.
